

WORKSafe® STEED R E3052

SAFETY PRESCRIPTION EYEWEAR

Steed R, the superior successor of our most well-received model, is now enhanced with the addition of adjustable temple inclination.

- Lightweight impact-resistant TR90 frame
- Vented TPR browguard
- Dual density injected anti-slip skull-grip TR90 temples
- Impact-resistant integrated TR90 side shields
- 7-point adjustable temple inclination for better fit
- Soft thermoplastic rubber (TPR) universal-fit nose pads
- Tested to ANSI Z87.1-2010 standard and complies with SS473:2011 standards

PRODUCT CODE

340WSE3052A4C57

Grey, Clear frame, Clear lens HC

Brand	WORKSafe	Model	Steed R E3052
Type	Safety Prescription	Standards	SS473:2011
Weight	30g	Complies With	ANSI/ISEA Z87.1-2010
Frame Height	43mm	Bridge Width	23mm
Lens Thickness	2.0mm	Hinge-hinge (Inner Width)	134mm
Lens Base Curve	5	Temple Length (Lens-Tip)	145mm
Lens Coating	Hard Coating (HC)	Lens	Polycarbonate (PC)
Front Frame	TR90	Side Shields	TR90
Temple Front	Polycarbonate (PC)	Temple Back	TR90
Temple Tips	Thermoplastic Rubber (TPR)	Browguard	Thermoplastic Rubber (TPR)
Screw	TR90	Nose Pad	Thermoplastic Rubber (TPR)
