

WORKSafe® STINGER E3031 SAFETY GOGGLES

WORKSafe® Stinger - an acetate anti-fog lens goggle that offers good protection. Its chemical-resistant lens is paired with a soft rubber nose that accommodates most Western and Asian facial profiles.

- Cellulose acetate anti-fog lens by Jepsen-Mazzucchelli, Italy
- 180° panoramic lens
- Soft flexi-rubber nose cushioning
- Integrated air ventilation system and cheek protector
- Fully adjustable headband
- Can be worn over prescription eyewear
- Suitable for use with half-masks and filtering face masks
- Complies with ANSI/ISEA Z87.1-2015, EN166:2001 F and SS473:2011 standards
