

WORKSafe® KLEANLENS ANTI-FOG WET WIPES

EYE PROTECTION

Keep your eyewear clean with our WORKSafe Kleanlens Anti-Fog Wet Wipes. Made of non-abrasive lint-free material, these wipes effectively clean eyewear lenses and other optical devices like mobile phones and computer screens.

These pre-moistened wipes are sealed in individual disposable packets, small enough to be stored in a bag, pocket or lens case.

Features

- Non-abrasive and lint-free, suitable for cleaning eyewear lenses, mobile phones and computer screens.
- Small and compact, convenient for use on the go
- Anti-fog agent to keep your eyewear lenses clear

Directions:

- Tear the packet and unfold the wipe. Remove the dust and dirt from the eyewear lenses and screen. Gently clean the surface until it is clean and dry.
- Use immediately when opened, and dispose after use.

Caution:

- For external use only. Keep out of reach of children.
- Avoid direct contact with eyes. If contact occurs, rinse immediately with water. If any irritation occurs, discontinue use and consult a doctor if necessary.
- This product is flammable. Keep away from fire.
